We have a Volunteer Circulation List. This involves your contact details being shared with the other volunteers, making it easier to swap shifts, etc. You will also receive regular e-mails detailing any outstanding shifts which need filling. If you have no objection to your information being shared in this way, please sign below.

Signature.....

Volunteers are asked to sign themselves up for shifts over the coming two weeks. Your first shift should be on an afternoon when Jane is on duty in the shop, or alternatively with another experienced volunteer. Kevin, our manager, works mainly in the mornings and all day on Friday. He is often very busy in the back office and would appreciate new volunteers not signing up for shifts alone when he's in, until they are fairly competent using the till! Once you feel confident, please feel free to put your name down for any shift, morning or afternoon, weekday or weekend.

We hope you will really enjoy working with us in our shop. Just one two-hour shift makes a big difference and keeps the shop open.
